My style and me

A LITTLE ABOUT ME, A LOT ABOUT MY STYLE

Firstly... congratulations on your engagement!

With your celebrations on the way, you'll undoubtedly be thinking how you want to remember your day for years to come. Capturing your wedding perfectly is so important, as you'll look back and cherish those memories forever.

My photography style

I want to tell the story of your wedding day and capture what makes your day uniquely yours. Real emotions exactly as they happen, without having to pose. For me, wedding photography is about the genuine moments; the laughter, the tears, all of the love, and simply letting you enjoy your best day ever in an unobtrusive way.

I'll photograph your day in a way that will feel completely natural and together, we'll find the right balance of photographs. If you want to avoid posed pictures, we don't pose. If you want some posed portraits, they'll be special, happen naturally and will take just the right amount of time, leaving you to enjoy every moment.

About me

Originally from South East London, I am now an honorary northerner after living in this neck of the woods for over 20 years.

I live in Todmorden with my wife, two children and two dogs. I've been a photographer for over 30 years and graduated from university with a HND in photographic design and a first class honours degree in photography.

I love being out with my family walking the dogs, especially in the wilds of The Dales & The Lake District. I'm also a bit of a foodie and love a good crackly fire in the local establishment in the winter!

Natural photography, authentic portraits, emotional moments. Simply capturing your story as it happens.

I'd love to hear all about your big day. You don't even need a specific date in mind at this point, we can just share ideas.

I look forward to hearing from you!

High resolution photos

A USB of high quality photographs with no watermark, and full usage rights, to do with as you please!

Fully insured

I have full public liability insurance. Venues often ask for my certificate, which I'm happy to send to them.

Online gallery

Your photos will be available on your own webspace as a beautiful online gallery. You can share with family and friends instantly, and order prints directly from your gallery!

Your adventure

PRE-SHOOTS & DESTINATION PHOTOGRAPHY

When it comes to documenting your wedding, it's not just about the day, it's about the whole adventure! If you're looking to explore the idea of a pre-wedding shoot, or if you're planning on going abroad, these are both services I can offer. Just let me know what you've got in mind and we can start from there.

Pre-wedding Shoots

Pre-wedding shoots are the perfect way to get used to the camera before the day. It's also an opportunity to create save-the-date cards! We spend half a day in your favourite location and create a set of photos that are really natural.

On average, you can expect to receive a collection of about 50 photographs. These are all properly edited and delivered to an online gallery in high resolution.

ADD A PRE-SHOOT

A typical pre-shoot is around £350 and includes travel in a 30 mile radius.

Destination Weddings

I have been all over Europe photographing gorgeous locations. Organising photography abroad can be more challenging and it's a whole lot easier if you take your trusted photographer that you've chosen personally with you and have them here when you get back.

You'll need to consider the cost of flights, accommodation and travel. I will do all of the organising, giving you peace of mind!

GOING ABROAD?

I'd love to hear about your adventure! Contact me for a destination brochure.

MEET SOME OF MY COUPLES

There's no-one better to tell you about me, than some of my lovely past couples!

Katie & Matt

A VIVACIOUS VILLA WEDDING

On the day, Andy was exactly what was needed: early, calm, easy to work with, friendly, helpful, organised and creative. He remained in the distance capturing our day and whisked us off (with our videographer) for private photographs. Needless to say, Andy worked with ease with our videographers; it was seamless.

Laura & Greg

AN EXCLUSIVE DAY AT WEST TOWER

Andy gave everything we could ever want from our photographer. He captured our day perfectly without us feeling like we always had a camera pointed at us. There were times I even forgot he was there! We have so many beautiful, precious moments we can look back on forever, we are so happy with the results.

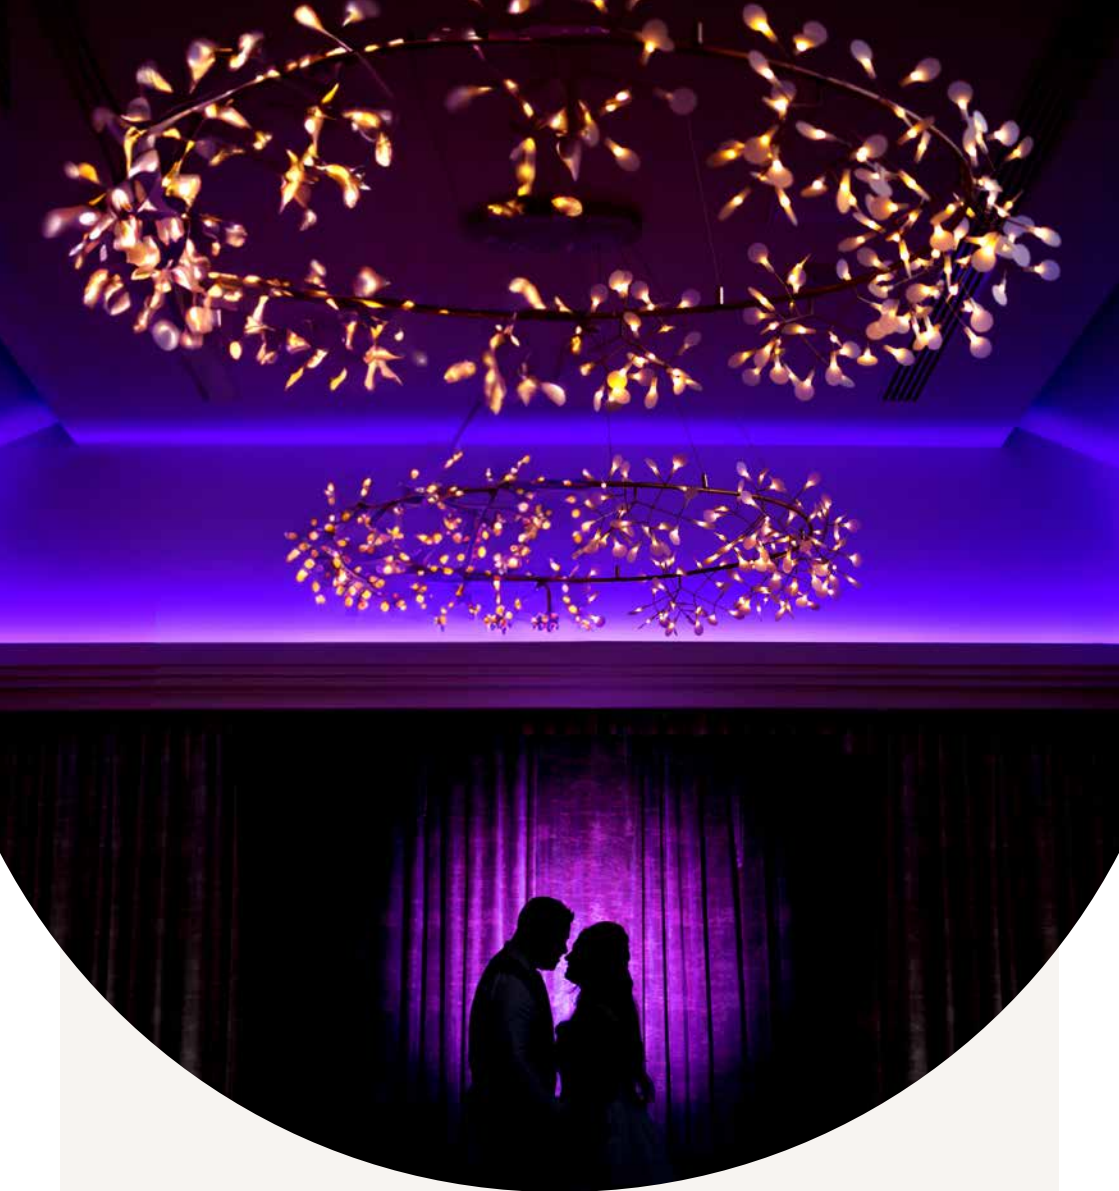

Leanne & David

A CLASSIC WEDDING IN THE DALES

We felt really lucky that we found Andy! He is great to work with and he did his very best to make our wedding photos perfect. Andy spent time with us before our big day so he knew exactly what we wanted and liked. Not only is he a great photographer but he's a great guy who will do anything he can for you.
